DM-315

DEPUTIES' MEETING

Monday, 19 July 1955

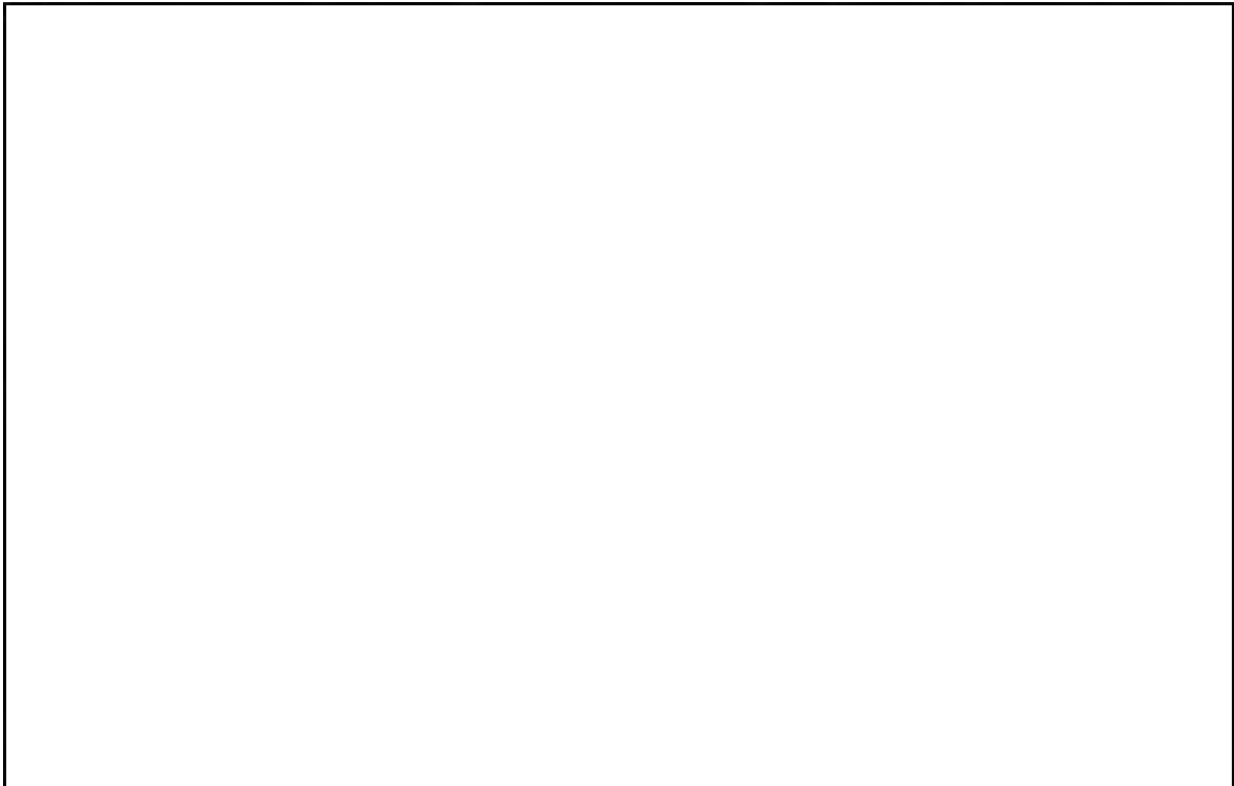

PRESENT: Mr. Dulles, Mr. Amory, Col. White, Messrs. Kirkpatrick,
Helms, Bissell, Sheldon, [REDACTED]

25X1

Mr. Dulles:

a. Referred to a cable he had dispatched to the Senior Representative [REDACTED] (OUT 62681) respecting an article in the New York Times of 18 July in which a statement was made by Mr. Anslinger, U. S. Narcotics Commissioner, before the Senate Foreign Relations Committee to the effect that the Communists are supplying drugs to American troops in Korea and noted his intention of calling Anslinger and asking him whether he is satisfied with the support he is receiving from CIA.

d. Referred to a recent issue of Counter Attack (which he gave to Mr. Helms) indicating there are at least seven organizations established in the United States for the ostensible purpose of sending packages to the various Iron Curtain countries and asked Mr. Helms to check with the FBI to see what information they might have on the above-mentioned foundations

Mr. Amory:

a. Reported that in going over the first Hoover Commission Report, among other things, he had noted a recommendation that the name of the Office of Collection and Dissemination be changed.
